**TREE GROW**

1. Your seeds are on the **BACK** of this lid, remove lid carefully.
2. Water soil evenly.
3. Carefully remove seeds and place them **ON** the soil. Water.
4. Recycle a sandwich bag to create a greenhouse over the pot.
5. Mist soil regularly to keep seeds moist.
6. Place to receive sun in day and light at night.
7. When seedlings are 3-4 cm, thin to one seedling/pot.
8. **DO NOT** over water!
